

Virtual Diversity Recruitment Events

September 17 and 18, 1pm - 5pm, 2021

Learn more and [register here](#) by September 15, 2021

We invite undergraduate and graduate students from underrepresented minority groups to

- Learn about our PhD graduate program, summer undergraduate research program and postdoctoral program
- Meet faculty and hear about their cutting-edge research
- Hear from current graduate students and postdoctoral fellows about their research and scientific journeys
- Participate in a student-led workshop on graduate school applications
- Learn about career development opportunities and affinity groups at CSHL

Research Programs:

Cancer
Neuroscience
Genomics
Plant Biology
Quantitative Biology
