

Hosted by The Office of Undergraduate Research, LSAMP and RISE Program

Graduate Admissions BOOTCAMP

FRI

MAR 18

10 AM- 5 PM

Loker Student Union-Ballroom C

Facilitated by Dr. Donald Asher of Asher Associates, an acclaimed speaker in the area of professional development and higher education.

This workshop provides insight into the graduate admission process. Topics to be discussed are how to prepare for graduate school (i.e. summer internships, research experience, publication, etc.), strategies on searching for the best schools and faculty members that matches your research interest, best approaches for getting the best recommendation letters, tips on writing a great personal statement, and funding graduate school.
