

Securing Letters of Recommendation for Graduate School

Increase your odds of
getting into your dream
graduate program!

Securing impressive letters of
recommendations may have
the power to sway the
admissions committee in your
favor, so don't underestimate it!

SEPT 23 | 10-11 AM

[Click here to REGISTER](#)

This workshop will cover:

- Who should write your letters
- Who would write the **BEST** letter
- When to ask and how to ask for a letter
- What the letter should include
- What pieces of information to provide your recommender
- When to send reminders about your letters

Facilitated by: Dr. Sarah Lacy
