

PUBLISHING YOUR RESEARCH

[REGISTER NOW](#)

**TUES
NOV 1
12-1 PM
Via Zoom**

Are you curious about publishing your research and scholarship? This workshop will provide you with an introduction to publication processes for a number of different types of publications. From creating and participating in undergraduate peer-reviewed research journals to publishing your work in non-academic contexts as a citizen scholar, this workshop will provide you with a general understanding of publishing academic work as well as strategies to get you started.
