

GRADUATE ADMISSIONS

Bootcamp

With Dr. Donald Asher, an acclaimed speaker in the area of professional development and higher education

FRI & SAT

APRIL
28 & 29

10 AM
to
4 PM
(both days)

Innovation & Instruction Building

|| 3320

This workshop provides insight into the graduate admission process. Topics to be discussed are how to prepare for graduate school (i.e. summer internships, research experience, publication, strategies for searching for the best schools and faculty members that match your research interest, best approaches for getting the best recommendation letters, tips on writing a great personal statement, and funding graduate school).
