

# Securing LETTERS OF RECOMMENDATION for Graduate School

With Dr. Sarah Lacy  
OUR Director

Increase your odds of getting into your dream graduate program!  
Securing impressive letters of recommendations may have the  
power to sway the admissions committee in your favor,  
so don't underestimate it!

## This workshop will cover:

- Who should write your letters
- Who would write the BEST letter
- When to ask and how to ask for a letter
- What the letter should include
- What pieces of information to provide your recommender
- When to send reminders about your letters
