**Creation of Faculty Awards**  
**[Supercedes PM 01-05, 9/24/01]**

---

The administration shall request the Academic Senate's approval regarding any new University-wide faculty award. This process should result in the establishment of criteria for granting any proposed new campus initiated award, including procedures, timelines and submission of materials. The resultant information shall be included with the initial and subsequent announcements of any new faculty awards. The Faculty Leaves and Honors Committee shall be responsible for the evaluation and recommendation of faculty to receive such honors.
