Dispute Resolution

## Industry and In-House Sector

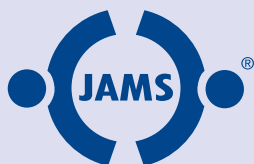

### Leading neutrals with hands-on expertise

These neutrals bring exceptional industry expertise to JAMS. They have extensive experience handling complex life sciences and IP litigation, either as in-house or outside counsel to major biotechnology and life sciences companies or on the federal bench. Available in person and remotely as **arbitrators, mediators, special masters, claims administrators** and **neutral evaluators**, they are frequently selected to resolve matters involving:

- research and development
- clinical trials
- corporate governance
- regulatory matters
- transactions for the development and commercialization of pharmaceuticals, medical devices and diagnostics

*The world's largest private alternative dispute resolution (ADR) provider, JAMS handles thousands of complex cases each year, including class actions and multidistrict litigation. We offer concierge-level client service, including highly skilled case managers, virtual ADR moderators, and premium technology and amenities.*
