

JAMS LIFE SCIENCES

Dispute Resolution

Mass Torts Sector

Premier ADR professionals with extensive expertise

With varied backgrounds that include decades of service on the federal bench, as leading trial lawyers, corporate counsel and/or longtime JAMS neutrals, these panelists have managed and resolved thousands of large, complex cases, including life sciences-related mass torts, class actions and multi-district litigation worth billions of dollars. Available in person and remotely as **arbitrators, mediators, special masters, claims administrators** and **neutral evaluators**, their extensive expertise includes, but is not limited to, matters involving:

- **product liability**
- **false advertising**
- **wrongful death**
- **personal injury**

The world's largest private alternative dispute resolution (ADR) provider, JAMS handles thousands of complex cases each year, including class actions and multidistrict litigation. We offer concierge-level client service, including highly skilled case managers, virtual ADR moderators, and premium technology and amenities.
