\*As communicated in January 2024, the WDF continues to upload the measures taken in March 2022 to no longer permit the participation of Russian and Belarusian players and officials in WDF events or ranked tournaments amid the ongoing Russian-led conflict in Ukraine.

As detailed in the WDF Bye-Laws, a person can play under the flag of their current residence provided that they have resided within that national entity for at least three years and haven't played for a WDF Member Darts Body of their nationality or another WDF Member Darts Body for at least three years.
