

c **GOC wiki page:** [happens during](#)
GO Annotation Domain: GO:0003674 (molecular_function) or GO:0008150 (biological_process)
GO Annotation Range: GO:0003674 (molecular function) or GO:0008150 (biological process) or WBIs:0000075 (nematoda Life Stage) or ZFS:0100000 (null)
Usage: Identifies a process or life stage during which a molecular function or biological process occurs
Subsets:
 GO:biological_process
 GO:molecular_function
 developmental_stages
